Boss Dog® Brand

In 2002, Greek Yogurt founder and entrepreneur, Vasili, set his sights on changing the way people eat yogurt. He began crafting the very first batches of his now-famous Greek yogurt products. Years later, a healthy, happy, and energetic Rhodesian Ridgeback (Lion Dog), named Kelby joined his family. The way Kelby walked, played and even snacked can only be described as "like a boss". Vasili and his family were inspired to create a

brand dedicated to products that taste great, are fun to eat and offer extra nutritional benefits. Boss Dog® Brand was born! Still enjoyed by Kelby and now Franky cat, and available for your pets! Treat your pet like a boss! Learn more at www.bosdogbrand.com.
